

RIEKELT GOUCEM

Developer

Name: Riekelt Goucem
Date of birth: April 12, 1993
Address: Den Helder, the Netherlands
Phone: +31-6-25508009
Email: Smail@riekeltg.nl
Website: <http://rieke.lt>

I am an eager developer ready to step inside the world of programming. I love spending time on fixing little details. Also I like working in a team, you'll learn faster and much more. As the saying goes: 'two heads are better than one'.

EDUCATION

Hogeschool van Amsterdam
Technische Informatica

2013-present

Computer Science mixed with Robotics. Classes include: Infrastructure, Programming, Databases, Embedded software, Business, Mobile Development, Technical Systems, Robotics, Intelligent Environments and more.

Hogeschool van Amsterdam
E-Technology

2012-2013

General Electro-engineering. Didn't suit my interest but I did gather a lot of experience I still use today. Classes include: Analog, Digital science, Programming (c)

EMPLOYMENT

Teleperformance Nederland
Customer Support Specialist

2023 - Present

Taking calls and chats from customers, assisting them with their issues, and directing them to the specific departments they need.

Helders Vastgoed, Den Helder
Data Typist

2022

Inserting data into the ERP / *Multiple Years Maintainingplan software*. Added my own flavour to use AutoHotKey scripting to automate a lot of the work.

everywhereIM, Hilversum

Web/App Developer

2015-2016

General Web and App developer, mostly worked on proofs of concept with backend dashboards / NFC technology on Android, and maintaining websites for customers. Also did the programming in Unity for a virtual reality tour.

Restaurant 't Veerhuis Lands End, Den Helder

General Cleaner

2009 - 2015

6 year employment at a nice local restaurant. My tasks included cleaning both the dishes and general cleaning tasks in the kitchen/storage area, as well as minor food-processing tasks.

MISCELLANEOUS

City of Hilversum + Den Helder

Polling Station Employee/Chairman

2017-present

Helping the city of Hilversum & Den Helder with the process of voting & counting votes afterwards. My tasks included are making sure the voting goes on as intended, help counting votes & making sure everything is in order.

Stichting Benelux Speedrunner Gathering

Organizer / Developer / Head Of Production

2017-present

Part of the organizing crew of our online, monthly and annual events. My tasks include managing the livestream, maintaining the layout software, website and donation tracker, graphical work and other tech-related advising/doings.
